All other cancellations will be subject to the Fees or early termination charge set out in Section 2.8 above.

## 8. PRICING AND INVOICING

- 8.1. Prices for Products and Services. For purchases by Reseller of Products and Services directly from Arqit, prices for the Products and Services payable by Reseller shall be those specified in Arqit's then current Global Price List, as updated from time to time by Arqit less any mutually agreed Reseller's discount. The difference between Reseller's purchase price and Reseller's Resale price to End Users will be Reseller's sole remuneration for Resale of the Products and Services hereunder. Reseller will have sole discretion in establishing its Resale price for all Products and Services. For purchases by the End User of Products and Services directly from Arqit, prices for the Products and Services payable by the End User shall be those specified in Arqit's then current Global Price List, as updated from time to time by Arqit.
- 8.2. Changes in Prices. Prices for Products and Services and/or Reseller Discounts may be changed by Arqit upon its sole discretion, upon thirty (30) days prior written notice to the Reseller (the "**Notice Period**"). Purchase Orders received before the Notice Period, and those received during the Notice Period which specify a delivery date within sixty (60) days following the effective date of a price increase will be invoiced to Reseller without regard to the price change.
- 8.3. Additional Discount and Special Pricing.
- (a) From time to time, Arqit may provide Reseller with additional discount/special pricing to be provided to a specific End User(s), and/or to meet competition from Arqit competitors. Reseller agrees to pass through such additional discount to the specific End User identified by Arqit. For the avoidance of doubt, Reseller has sole discretion to establish its Resale price to End User(s) provided that additional discount/special pricing is provided to that specific End User identified by Arqit.
  - (b) Arqit will provide written notification to Reseller of offered additional discount/special pricing. Such notification will include terms and conditions applicable to such additional discount/special pricing, which Reseller shall accept by submitting a Purchase Order using the additional discount/special pricing. Such written notification will specify a fixed time period during which such additional discount/special pricing shall be available and provided to the specific End User(s) identified in the notification. If no time period is specified, the time limit shall be ninety (90) days from the effective date of the written notification.
  - (c) If Arqit provides Reseller with such additional discount/special pricing and subsequently determines that Reseller has (i) sold Products or Services purchased with such special pricing to End User(s) other than the End User identified, or for projects other than the project identified, and approved in the written notification, or (ii) failed to pass the discount through to the End User; then Arqit may, in addition to all of its other rights and remedies, all of which are reserved: (a) invoice Reseller for the difference between such additional discount and Reseller's then-current contractual resale discount; (b) audit Reseller's purchases pursuant to Section 10.1 (Record-Keeping and Audits) and invoice Reseller for all reasonable costs incurred by Arqit in its performance of the Audit, including professional fees and expenses of accountants and attorneys; (c) immediately suspend Reseller's access to price deviations, special discounts, and other Arqit sales and marketing programs; (d) suspend shipments to Reseller; and (e) terminate this Agreement pursuant to Section 11.2 (Termination with Cause).
  - (d) For the avoidance of doubt, Reseller has sole discretion to resell Products and Services to End User(s) identified by Reseller, subject to: (i) the application of additional discount/special pricing to specific End User(s) identified by Arqit and (ii) the ability of Arqit to reject certain potential customers for objectively justifiable commercial and/or legal reasons.

- 8.4. Invoices. Invoices shall issue by electronic means only and shall contain (i) Arqit's name and invoice date, (ii) a reference to the Purchase Order, (iii) separate descriptions, unit prices and quantities of Products actually delivered, (iv) credits (if applicable), and (v) name (where applicable), title, phone number and complete mailing address of responsible Arqit employee for accounts receivable.
- 8.5. Payment. All payments are due and payable in cleared funds to Arqit's nominated account set out in Arqit's invoice within forty-five (45) days of the invoice date or prior to the start date of Services or Activation Date of the Products (if earlier).
- 8.6. Payment Default. Without limiting Arqit's remedies under the Agreement, if Reseller fails to pay any sum under the Agreement when, then: (a) such unpaid sum shall bear interest at the annual rate of 4% over the base rate of the Bank of England from time to time in force or the maximum amount permitted under Applicable Law. Such interest shall accrue on a daily basis from the due date until actual payment of the overdue amount, whether before or after judgment. Reseller shall pay the interest together with the overdue amount. In addition, Reseller shall upon demand promptly pay, or reimburse Arqit for, all Arqit's costs and expenses (including any external legal costs) incurred in the collection of any overdue and unpaid amounts from Reseller. The payment obligations stated in this Subsection shall survive termination or expiration of the Agreement; and (b) Arqit shall have the right to place Reseller on credit hold and suspend further acceptance of Order including any Purchase Orders from Reseller. Once Reseller's account is brought current, Arqit may require pre-payment or the issuance of Letters of Credit pursuant to Section 8.9 for future Orders from Reseller. Arqit may also immediately terminate or adjust any discounts or other special pricing.
- 8.7. Credits to Reseller/No Deductions From Invoice. If any provisions of this Agreement or any other agreement between Reseller and Arqit require that Arqit grant credits to Reseller's account, Arqit will grant such credits to Reseller's account. Reseller may not issue debit memos to Arqit or otherwise deduct from or offset against any amounts due from Reseller to Arqit.
- 8.8. Security Interest. To secure all obligations of Reseller to Arqit under this Agreement, (a) Reseller hereby grants to Arqit a purchase-money security interest in each Arqit Product (including any accessions, modifications or replacements thereto) purchased by Reseller from Arqit, and in all proceeds obtained by Reseller thereof; and (b) Reseller grants to Arqit a security interest as original collateral in all accounts, chattel paper, instruments, documents, general intangibles, letter of credit rights and other supporting obligations, and all judgments, claims, insurance policies and payments owed or made to Reseller thereon, arising from or related to the sale of Products (including any accessions, modifications or replacements thereto) or Services by Reseller, and in all proceeds of any of the foregoing. Reseller agrees to file such documents, or to assist Arqit in filing such documents, as may be required for Arqit to record or perfect such security interest.
- 8.9. Letters of Credit. Whether or not Reseller is, or ever has been, in default or delinquent in the payment of any invoice(s), and whether or not Arqit is withholding or ever has withheld any shipments, Arqit may, at any time or times, at its sole discretion, require Reseller to establish one or more irrevocable letters of credit (each a "**Letter of Credit**"), each of which: (i) shall be issued (and confirmed, if so required by Arqit) by banks or financial institutions acceptable to Arqit for the total price of any Purchase Orders specified by Arqit; (ii) shall be issued in Arqit's favor at its principal place of business; (iii) shall be stated the same currency used in the Purchase Order; (iv) shall provide for the full payment to Arqit of the invoiced price upon presentation to the issuing (or confirming, as applicable) bank of the invoice, together with, as applicable, a clean bill of lading, airway bill or warehouse or storage receipt; and (v) unless the prior written approval of Arqit has been obtained, has or contains no other conditions or limitations (including time limits) whatsoever. If Arqit does require any such Letter(s) of Credit, Arqit may, in its sole discretion, both decline to accept any new or additional Purchase Orders and, without prejudice to its other rights, withhold shipment (including partial shipment) of any existing Purchase Order(s) until such Letter(s) of Credit has been established as aforesaid.
- 8.10. Taxes. Prices of Products and Services are exclusive of value added tax or other similar sales, duties (including stamp duty), levies, withholding, deduction and/or any other governmental charge or other similar taxes or fees (together "**Taxes**") that are or may become payable in connection with the purchase of Products and/or Services. Reseller's payments to Arqit pursuant to this Agreement may not be reduced to reflect any withholding tax or other tax or mandatory payment to government agencies. When Arqit has the legal obligation to collect Taxes related to any invoice, unless Reseller provides Arqit with a valid and acceptable Tax exemption certificate prior to issuance of said invoice, the appropriate amount shall be added to Reseller's invoice and paid by Reseller. If a tax authority subsequently finds that any Tax payment related to any sale or service to Reseller was insufficient and requires additional payments by Arqit, Arqit will make such payments and Reseller will reimburse Arqit for such additional Tax payments (including any interest, levies, and penalties). Arqit will not be responsible for any Taxes or other amount assessed to Reseller by any government agency based on Reseller's net income, gross revenue, or for any other reason.

## 9. DELIVERY OF PRODUCTS

- 9.1. Activation Dates. The Anticipated Activation Date of the Products or start date of any Services will be established by Arqit upon its acceptance of Purchase Orders from Reseller. Arqit shall not be liable for any damages, direct, consequential, special, punitive, or otherwise, to Reseller or to any other person for Arqit's (i) failure to fill any Orders, (ii) delay in delivery, (iii) error in filling any Orders for any reason whatsoever or (iv) failure to give notice of any delay or error.

## 10. REPORTS AND RECORDS

- 10.1. Record-Keeping and Audits. Reseller shall keep full, true, and accurate records and accounts (collectively, "**Records**"), in accordance with generally-accepted accounting principles, of each Arqit Product and Arqit Service purchased and Resold, including information regarding compliance with Arqit marketing and sales programs, terms of special pricing or discounts provided for a specific End User or purpose, Software usage and transfer, End User names and locations, electronic Enterprise Resource Planning (ERP) records, compliance with applicable anti-corruption laws (including those listed in Section) and exportation of Products. Reseller shall make these records available for audit by Arqit upon thirty (30) days prior written notice, during regular business hours, at those locations where Reseller may maintain relevant records. Reseller shall retain these records for a minimum period of 3 years, or for a longer period if required by law. Reseller shall bear all costs incurred by Arqit in the performance of any audit that discloses any breach of this Agreement. Reseller additionally acknowledges that from time-to-time Arqit or its independent auditors may conduct additional specific audits (each an "**Audit**") with the purpose of monitoring and ensuring compliance by Reseller with Arqit's policies and with Applicable Laws. Such audits may include, without limitation, investigations in order to prevent the acquisition, use, promotion or Resale of Non-Genuine Products and/or Unauthorised Products. If requested, Reseller shall collaborate with Arqit's auditors and provide accurate and truthful information. Reseller agrees to bear, and/or promptly repay to Arqit, all costs, fees and expenses, incurred by Arqit in the performance of any such audit and/or investigation which discloses any breach of this Agreement by Reseller. Reseller acknowledges and accepts that, in addition to the above audit rights, Arqit may directly contact any End Users at any time in order to verify and/or inform such End Users regarding Reseller's or End User's compliance or non-compliance with this Agreement and Arqit's then-current policies.
- 10.2. License Verification. Reseller shall procure that each End User will, for all Products at all sites, environments and for all Licensed Units (as defined in the EULA) retain deployment and usage information (collectively "**Data**") and shall within 30 days of request, provide a report confirming all deployment and usage for the period requested. The report shall be in a form requested by Arqit and, where necessary, Reseller shall procure supporting documentation to confirm the deployment and usage at the relevant sites, environments and Licensed Units. Arqit shall use the Data to (a) improve Product or Software performance or customer experience, or correct information in any Documentation; and/or (b) confirm the Reseller's compliance with the Agreement and End User's compliance with the EULA. Arqit reserves the right to invoice Reseller and Reseller shall pay Arqit's invoice for the charges applicable to any excess use of any Products not in accordance with, or in breach of, the Agreement at Arqit's then current rates, together with any applicable Taxes.

## 11. TERM AND TERMINATION

- 11.1. Term. This Agreement commences on the Effective Date and continues thereafter for one (1) calendar year (the "**Initial Term**"). Thereafter, this Agreement continues for successive one (1) year periods (each, a "**Renewal Term**"), unless (i) either Party provides a written notice of non-renewal to the other Party at least thirty (30) days prior to the end of the then current Initial Term or Renewal Term, as applicable, or (ii) terminated sooner in accordance with the termination provisions of this Agreement. Notwithstanding the foregoing, Arqit may terminate this Agreement for its convenience at any time on 30 days' written notice to Reseller.
- 11.2. Termination with Cause. If either Party defaults in any material respect in the performance of any of its duties or obligations set forth in this Agreement, and such default is not substantially cured within thirty (30) days after written notice is given to the defaulting Party specifying the nature of the default, then the Party not in default may, by giving written notice thereof to the defaulting Party, terminate this Agreement as of the date specified in such notice of termination. Arqit may terminate this Agreement immediately if Reseller breaches Sections 3.1 (Grant of Rights), 3.2 (Reservation of Rights), 3.3 (License Restrictions and Conditions) or 16 (Compliance with Laws). Notwithstanding the foregoing, either Party may terminate this Agreement immediately in the event of breach by the other Party of Section 15 (Confidentiality).

- 11.3. Termination for Insolvency or Bankruptcy. Either Party may immediately terminate this Agreement and any Purchase Order by giving written notice to the other Party in the event of: (i) liquidation or insolvency of the other Party; (ii) appointment of a receiver or similar officer for the other Party; (iii) assignment by the other Party for the benefit of all or substantially all of its creditors; (iv) entry by the other Party into an agreement for the composition, extension or readjustment of all or substantially all of its obligations; or (v) the filing of a meritorious petition in bankruptcy by or against the other Party under any bankruptcy or debtors' law for its relief or reorganization.
- 11.4. Effect of Termination. Upon the termination or expiration of this Agreement,
- (a) Reseller's rights to purchase and Resell the Products and Services shall immediately terminate;
  - (b) Reseller shall immediately cease to represent itself to any Third Parties as an Arqit Reseller, and cease its use any of the Marks;
  - (c) All authorisations and licenses granted by Arqit under this Agreement will immediately terminate and all such rights shall automatically revert to Arqit; provided that, except where termination is for Reseller's non-payment to Arqit, any and all licenses granted by Arqit pursuant to this Agreement will extend to all Products and Services for which Purchase Orders have been accepted by Arqit and for which Products and Services will be delivered post-termination and for all Services which Reseller is in process of performing;
  - (d) If Reseller was providing any Services directly to End Users, Arqit will provide such services to End Users in accordance with Arqit standard support policies or reassign such services to another authorised reseller in the Territory, provided that Reseller pays Arqit or such other authorised reseller all fees paid by End Users to Reseller for the remainder of any subscription or services term; and
  - (e) All outstanding invoices to Reseller for Products and Services shall become due and payable on the effective date of termination or expiration, notwithstanding anything to the contrary.
- 11.5. Post-Termination Liability. Reseller agrees that, in the event of any termination or expiration of the Agreement, it shall have no rights to damages or indemnification of any nature, specifically including commercial severance pay, whether by way of loss or future profits, expenditures for promotion of any product, or other commitments in connection with the business and good will of Reseller. However, neither termination nor expiration will extinguish any liability of either Party arising before termination or expiration of this Agreement, including without limitation for payments due. RESELLER EXPRESSLY WAIVES ANY RIGHT OR CLAIM IT MAY HAVE UNDER THE LAWS OF ANY JURISDICTION TO RECEIVE ANY COMPENSATION OR REPARATIONS UPON TERMINATION OR EXPIRATION OF THIS AGREEMENT BY OPERATION OF LAW OR OTHERWISE FOR SUCH TERMINATION OR EXPIRATION.
- 11.6. Survival. Sections 1 (Definitions), 3.2 (Reservation of Rights), 3.3 (License Restrictions and Conditions), 4 (Trademarks), 10 (Report and Records), 11 (Term and Termination), 12 (Limited Warranty and Warranty Disclaimer), 13 (Infringement), 14 (Limitation of Liability), 15 (Waiver of Consequential Damages), 16 (Confidentiality), 17 (Compliance with Laws) and 18 (General) shall survive expiration or termination of this Agreement.

## 12. LIMITED WARRANTY AND WARRANTY DISCLAIMER

- 12.1. Limited Warranty. The only warranty that Arqit provides with respect to any Products or Services is the written limited warranty statement provided with that Products or Services or outlined in the EULA (the "**Limited Warranty**"). Arqit agrees that Reseller shall be entitled to pass, and Reseller agrees to pass, through to End Users the Limited Warranty with respect to such Products or Services. Arqit reserves the right to refund the purchase price as its exclusive warranty remedy. If there is any inconsistency between this Section 12.1 and the warranties and disclaimers shipped with the Products or outlined in the Limited Warranty, the Limited Warranty shall prevail.

- 12.3. No Other Warranty. Except for the Limited Warranty, Reseller shall not make any commitment, warranty or representation, whether written or oral, with respect to Arqit, the Products or the Services. Reseller shall indemnify Arqit for any warranties made in addition to Arqit's standard warranty and for any misrepresentation of Arqit's specifications, functionality, or compatibility of any Arqit Product or Arqit a Service.
- 12.4. Limitations. Arqit shall have no obligation or liability to Reseller and/or End User and the Limited Warranty will apply if any part of the Products (including the Software) or Hardware: (i) has been altered or modified in any way, including the removal or alteration of the original identification marks, except when such alterations or modifications are pre-approved by Arqit in writing; (ii) has not been installed, operated, repaired, or maintained in accordance with the Documentation or any instructions given by Arqit; (iii) has been serviced by parties not trained by or on behalf of Arqit; or (iv) has been subjected to unreasonable physical, thermal or electrical stress, misuse, negligence or accident; or (v) has been used in combination with any hardware, software or service supplied or manufactured by a Third Party; or (vi) has been adapted to meet the Reseller's or an End User's specifications, designs or instructions. Reseller acknowledges that Arqit may modify any URL address or terminate the availability of any Arqit Website (in whole or in part) at any address without notice to Reseller.

### 13. INFRINGEMENT

- 13.1. Arqit shall defend and indemnify Reseller against any claim that Arqit proprietary intellectual property in the Products or Documentation as supplied by Arqit infringes or alleges to infringe or misappropriate a Third Party's patent, copyright or other intellectual property right in existence as of the Effective Date in the Territory ("**Claim**"). and shall pay any amounts finally awarded or agreed to in settlement of any such Claim. Arqit's obligation specified in this Subsection will be conditioned on Reseller: (a) giving prompt notice to Arqit in writing of any such Claim or threat thereof; and (b) giving Arqit full and exclusive authority for, and information for and assistance with, the defense and settlement of any Claim.
- 13.2. If a Claim has occurred, or in Arqit's opinion is likely to occur, Reseller agrees to permit Arqit, at its option and expense, either to: (i) procure for Reseller or End User (as applicable) the right to continue using the infringing Arqit Product; or (ii) replace or modify the same so that it becomes non-infringing; or (iii) if, in Arqit's sole opinion, neither of the foregoing alternatives is reasonably available or commercially viable, immediately on written notice (which may be by email) terminate Arqit's obligations and Reseller's (and any End User's) rights under this Agreement with regard to such Arqit Product, whereupon the right to use the relevant Arqit Product will terminate and Reseller shall be entitled to a pro rata refund of the applicable subscription price (in respect of subscription-based Products) or pro rata portion of the license fee and any corresponding maintenance fee (in respect of Products subject to a perpetual license and a corresponding maintenance contract (if any)) actually paid by Reseller and received by Arqit for the relevant Products and/or Services not yet received or used by Reseller (or End User) as at the date of termination.

- 13.3. Notwithstanding the foregoing, Arqit shall have no indemnification or other obligations as set forth in this Section 13 with respect to any of the foregoing:
- (a) any Claim arising in whole or in part as a result of the limitations set out in Subsection 12.2 (Limitations) above;
  - (b) any Claim asserted against an Arqit Product or any Arqit Service related to an Arqit Product if the Arqit Product that is the subject of such Claim was initially made available by Arqit more than five (5) years prior to the date when Arqit received notice of such Claim;
  - (c) any Claim based upon Resale or other distribution of any Arqit Product after Arqit has informed Reseller of an alternative Arqit Product ("**Replacement Product**") or a software or hardware modification, update, upgrade or change to an Arqit Product ("**Arqit Upgrade**") or a failure to promptly implement an update or modification to the Products (e.g., Updates or Software Releases) provided by Arqit. This exclusion shall only apply to the extent such Claim would have been avoided by providing or implementing such Replacement Product or Arqit Upgrade;
  - (d) use of the Products in a manner other than as specified in the Documentation or any continued use of the relevant Arqit Product in contravention of the EULA.
- 13.4. THE FOREGOING STATES THE ENTIRE OBLIGATION OF ARQIT AND ITS SUPPLIERS, AND THE EXCLUSIVE REMEDY OF RESELLER, WITH RESPECT TO INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS. THE FOREGOING IS GIVEN TO RESELLER SOLELY FOR ITS BENEFIT AND IN LIEU OF, AND ARQIT DISCLAIMS, ALL WARRANTIES OF NON-INFRINGEMENT. ARQIT SHALL NOT BE OBLIGATED OR RESPONSIBLE FOR ANY SETTLEMENT ENTERED INTO OR DAMAGES ARISING FROM ADMISSIONS BY THE RESELLER OR THE END USER WITHOUT ARQIT'S PRIOR WRITTEN CONSENT.
- 13.5. Obligations of Reseller. From the date in which Arqit informs Reseller of an Arqit Replacement Product or an Arqit Upgrade pursuant to Section 13.3(c), Reseller agrees to: (i) sell, offer to sell, transfer or otherwise distribute only such Arqit Replacement Product or such Arqit Product with the Arqit Upgrade to its End Users and (ii) not sell, offer to sell, transfer or otherwise distribute such Arqit Product that Arqit has informed Reseller as being replaced by such Arqit Replacement Product or as being subject to an Arqit Upgrade, in each case of subclauses (i) and (ii) other than Products already in transit to the End User at the time Arqit informs Reseller. Reseller will defend Arqit and its affiliates from and against any Claim brought by a third party against Arqit or one of its affiliates and will pay any amounts finally awarded, or agreed to in settlement, arising out of the breach by Reseller of its obligations under this Section 12.5.
- 13.6. Use of Third-Party Software / Products / Applicable Terms. For non-Arqit branded products and/or software or services delivered in connection with Arqit's Products and/or Services, such Third-Party products and/or services shall be separately governed and licensed by the applicable Third-Party product and/or services terms and conditions. Such Third-Party terms and conditions shall supersede the terms of this Agreement for non-Arqit branded products and/or services or as otherwise stated in any Software. For the avoidance of doubt, the Third-Party supplier of non-Arqit branded products and services or Third Party licensor of Software shall be solely responsible for support, warranties, indemnities and other terms and conditions applicable to such products and services. To the extent that Arqit has embedded any Third-Party software or components in any Products or they form any part of the Services, that Third Party licensor may enforce its license rights against Reseller or End User (as appropriate). Any breach of any Third-Party licenses shall also be a breach of this Agreement.

#### 14. LIMITATION OF LIABILITY

- 14.1. SUBJECT TO SECTION 14.2, AND NOTWITHSTANDING ANYTHING ELSE HEREIN, ALL LIABILITY OF ARQIT AND ITS SUPPLIERS FOR CLAIMS ARISING UNDER THIS AGREEMENT OR OTHERWISE SHALL BE LIMITED TO THE MONEY ACTUALLY PAID BY RESELLER TO ARQIT FOR PRODUCTS AND SERVICES UNDER THIS AGREEMENT DURING THE THREE (3) MONTH PERIOD IMMEDIATELY PRECEDING THE DATE IN WHICH THE CAUSE OF ACTION OCCURRED. THIS LIMITATION OF LIABILITY IS CUMULATIVE AND NOT PER-INCIDENT.
- 14.2. THE EXCLUSIONS AND LIMITATIONS SET OUT IN THE FOREGOING SECTION AND THIS AGREEMENT SHALL NOT SEEK TO EXCLUDE OR LIMIT ARQIT'S OR ITS AFFILIATE'S LIABILITY FOR: (A) DEATH OR PERSONAL INJURY OR LOSS OR DAMAGE FOR WHICH LIABILITY CANNOT BE LIMITED OR EXCLUDED BY LAW; OR (B) FRAUD OR FRAUDULENT MISREPRESENTATION; OR (C) ANY OTHER LIABILITY THAT CANNOT BE LIMITED UNDER APPLICABLE LAW.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL ARQIT OR ITS AFFILIATES, OR ANY OF ITS OR THEIR RESPECTIVE SUPPLIERS OR THIRD PARTY LICENSORS OR SERVICE PROVIDERS BE LIABLE FOR ANY INCIDENTAL, EXEMPLARY, SPECIAL, INDIRECT, PUNITIVE OR CONSEQUENTIAL DAMAGES, LOST REVENUE, LOST PROFITS, LOST OR DAMAGED DATA, INTERRUPTION OF BUSINESS, LOST OPPORTUNITY, LOSS OF GOODWILL OR LOSS OF REPUTATION, WHETHER ARISING IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE, EVEN IF ARQIT OR ITS AFFILIATES, OR ANY OF ITS OR THEIR RESPECTIVE SUPPLIERS OR THIRD PARTY LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY THEREOF. THESE LIMITATIONS SHALL APPLY UNDER ANY THEORY OF LIABILITY, INCLUDING, WITHOUT LIMITATION, THOSE RESULTING FROM THE USE OF ANY PRODUCTS AND/OR SERVICES PURCHASED, OR THE FAILURE SUCH PRODUCTS OR SERVICES TO PERFORM, OR FOR ANY OTHER REASON, AND SHALL APPLY NOTWITHSTANDING THE FAILURE OF THE ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.

## 16. CONFIDENTIALITY

- 16.1. Each Party shall at all times, during the term of this Agreement and for a period of at least three (3) years after its termination, maintain in the strictest confidence and trust all such Confidential Information and shall not use such Confidential Information other than in the course of its duties and as expressly authorised by the other Party under this Agreement, nor shall either Party disclose any such Confidential Information to any Third Party without the other Party's prior written consent. With respect to Confidential Information that is a trade secret, the obligations under this Agreement shall continue for so long as that information remains eligible for protection as a trade secret under Applicable Laws.

Each Party will indemnify the other Party for all damages suffered by such Party in the event of wrongful disclosure of such Confidential Information. Each Party shall remain solely liable for any breach of this Section by its respective employees, contractors and/or subcontractors to whom it has disclosed any Confidential Information.

  - (d) is developed by or for such Party without use of the Confidential Information of the other Party and such independent development can be shown by documentary evidence; and
  - (e) becomes available to such Party by wholly lawful inspection or analysis of products offered for sale. Further, such Party may only disclose Confidential Information pursuant to a valid order issued by a court or government agency, provided that such Party provides the other Party: (i) prior written notice of such obligation; and (ii) the opportunity to oppose such disclosure or obtain a protective order.
- 16.4. Either Party that has during the course of the Agreement received Confidential Information in a recorded form from the other Party (or has recorded received Confidential Information) shall return or destroy (at the option of the other Party) such records upon the other Party's written request.

## 17. PROTECTION AND PROCESSING OF PERSONAL DATA

- 17.1. To the extent that either Party processes personal data (within the meaning of Data Protection Legislation) in the performance of this Agreement, including any obligation to share personal data with the other Party, and to the extent required under Data Protection Legislation, the Parties shall enter into separate data sharing arrangements to set out the terms on which any such personal data is shared or otherwise processed between them ("**Data Sharing Agreement**") and the terms of any such Data Sharing Agreement (as updated, amended or replaced from time to time during the Term) shall be deemed incorporated into and to form a part of this Agreement, as if they were set out in the body of this Agreement.
- 17.2. Each Party shall, at its own expense, ensure that it complies, and assists the other Party to comply, with the requirements of all Applicable Laws of either Party, in force from time to time relating to the use of personal data and the privacy of electronic communications, including the Data Protection Legislation.

## 18. COMPLIANCE WITH LAWS

- 18.1. Governmental Approvals.
